

Arcadia Investment Management Corporation Form CRS

Item 1 Introduction

03/06/2024

Arcadia Investment Management Corporation is registered with the Securities and Exchange Commission as an Investment Adviser.

Brokerage and investment advisory services and fees differ, and it is important for you to understand the differences. The SEC offers free and simple tools to research firms and financial professionals at [Investor.gov/CRS](https://www.investor.gov/CRS) which also provides information tailored to educate retail investors about financial professionals.

Item 2 Relationships and Services

- Personal investment strategies—monitored continuously as part of our standard service.

For additional information including minimum investment amounts, please see

<https://www.adviserinfo.sec.gov/IAPD/default.aspx> for our Form ADV, 2A brochure (Items 4 and 7 of Part 2A or Items 4.A. and 5 of Part 2A Appendix 1).

Conversation starters. *Ask your financial professional:*

Given my financial situation, should I choose an investment advisory service? Why or why not?

How will you choose investments to recommend to me?

What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

Item 3 Fees, Costs, Conflicts and Standard of Conflict

What fees will I pay?

Our fees can be assessed quarterly and are disclosed in our Form ADV Part 1A, Item 5.E. and more fully described in our Form ADV Part 2A, Items 5.A., B., C., and D. Some fees create a conflict of interest described below and in more detail in our Firm's Part 2A.

If our firm charges you asset based fees, more assets in the account will cause you to pay more in fees and therefore we may have an incentive to encourage you to increase the amount of money invested in those accounts. There are no other fees or costs related to our services.

Additional Information:

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce

any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Conversation starters. *Ask your financial professional:*

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. An example to help you understand what this means: Our firm makes money by offering services to you and therefore have an incentive to sell our services to you.

Conversation starters. *Ask your financial professional:*

How might your conflicts of interest affect me, and how will you address them?

Additional information:

For more detailed information about our fees and costs please review our Form ADV, Part 2A brochure (specifically Items 5.A., B., C., and D.) found at <https://www.adviserinfo.sec.gov/IAPD/default.aspx>.

How do your financial professionals make money?

Our financial professionals are compensated with an annual salary determined during the annual budget process. The compensation is not based on the client assets each professional manages. We do not pay commissions or incentive dollars based on new business.

Item 4 Disciplinary History

Do you or your financial professionals have legal or disciplinary history?

Our firm has no disciplinary history. Visit Investor.gov/CRS for a free and simple search tool to research our firm and our financial professionals.

Conversation starters. *Ask your financial professional:*

As a financial professional, do you have any disciplinary history? For what type of conduct?
